

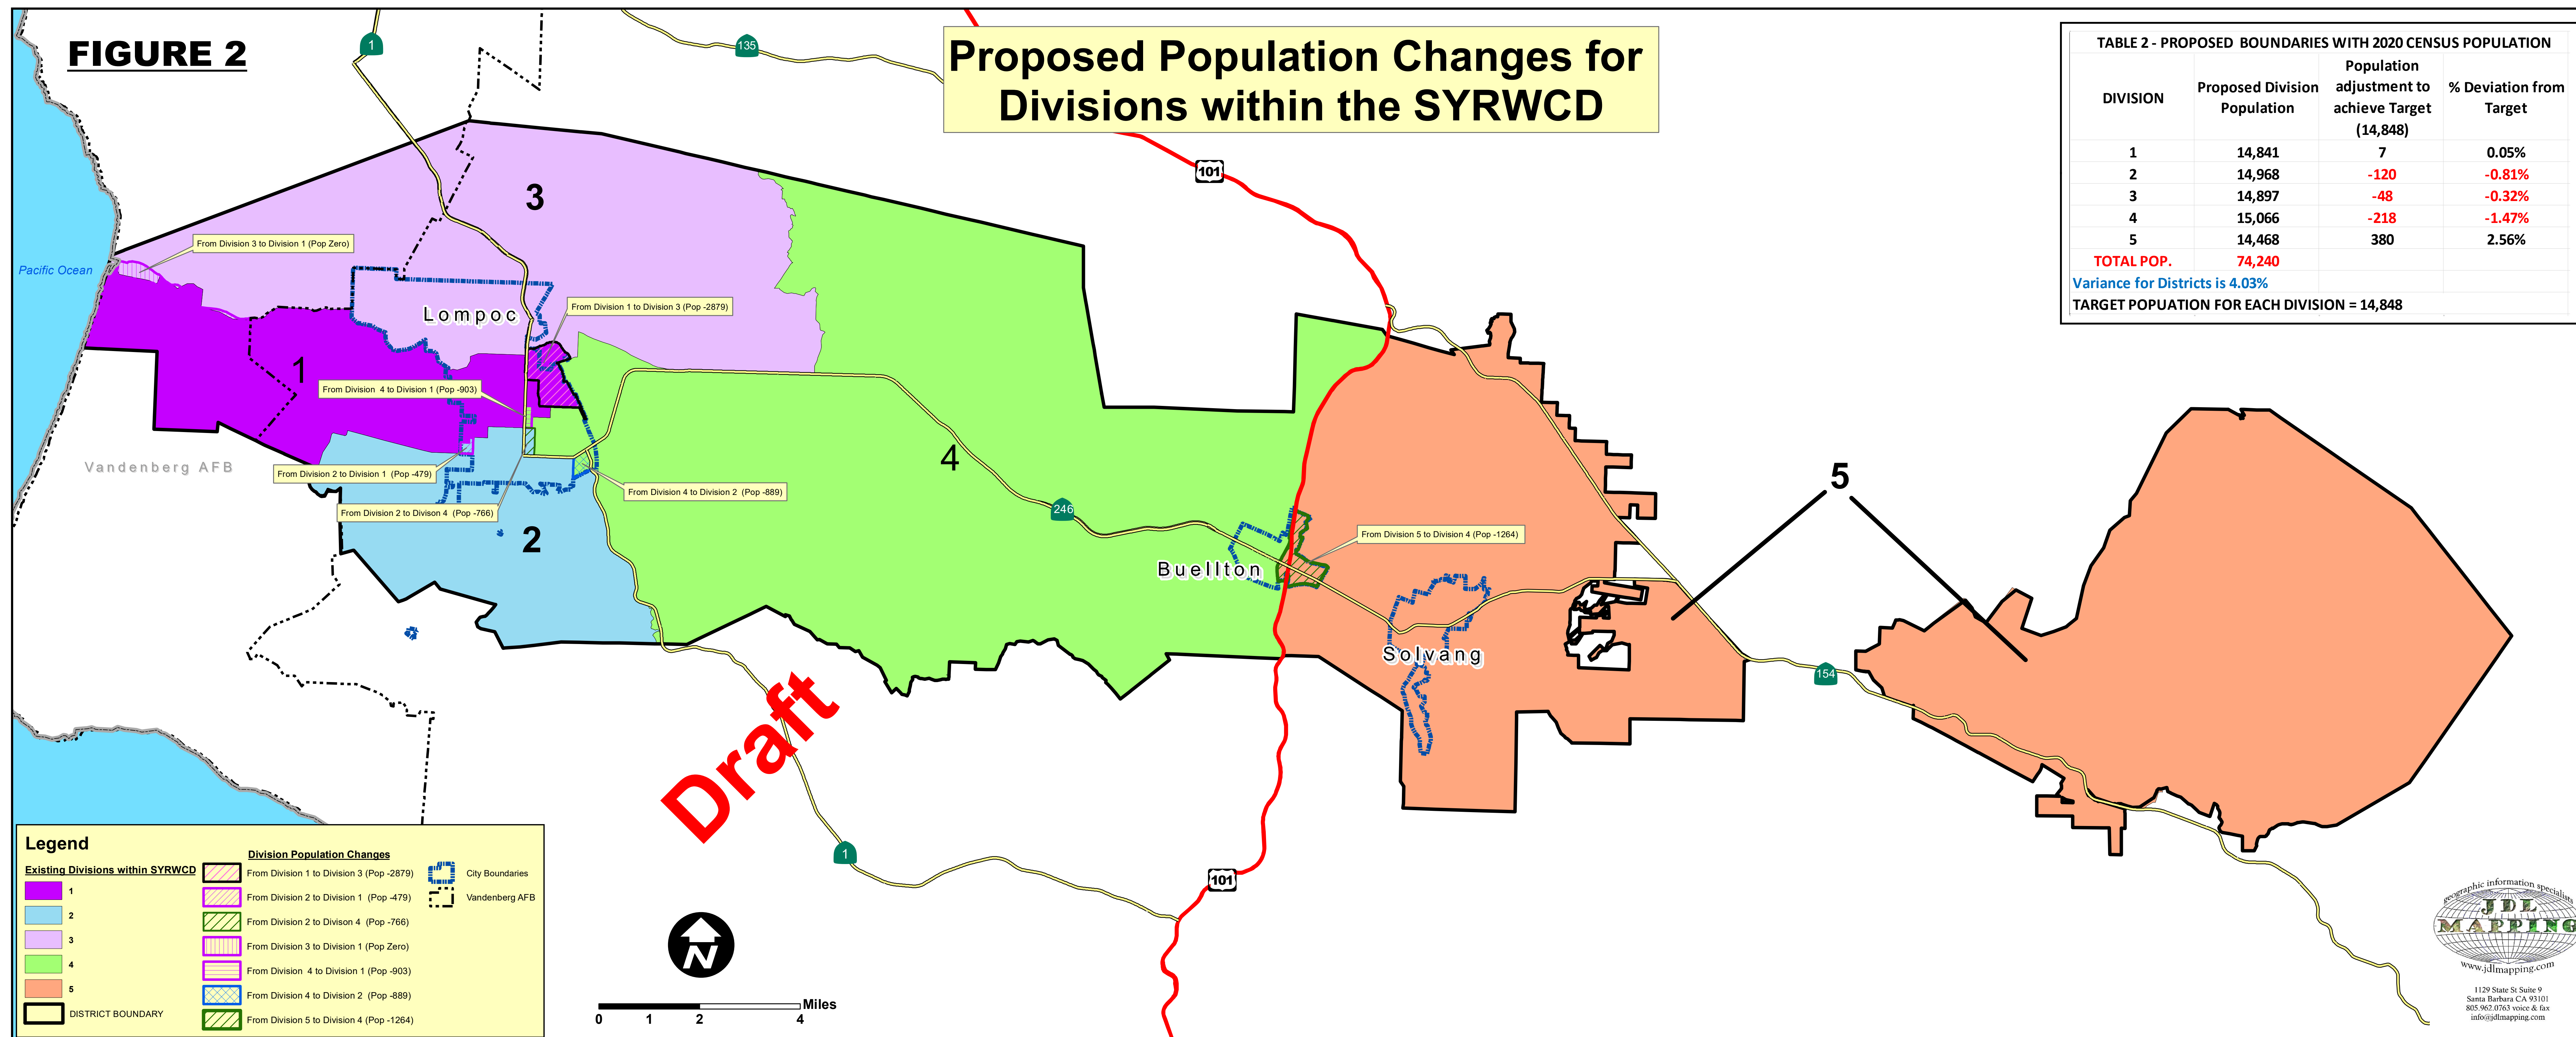

**FIGURE 2**

**Proposed Population Changes for Divisions within the SYRWCD**

**TABLE 2 - PROPOSED BOUNDARIES WITH 2020 CENSUS POPULATION**

| DIVISION          | Proposed Division Population | Population adjustment to achieve Target (14,848) | % Deviation from Target |
|-------------------|------------------------------|--|-------------------------|
| 1                 | 14,841                       | 7  | 0.05%                   |
| 2                 | 14,968                       | -120   | -0.81%                  |
| 3                 | 14,897                       | -48  | -0.32%                  |
| 4                 | 15,066                       | -218   | -1.47%                  |
| 5                 | 14,468                       | 380  | 2.56%                   |
| <b>TOTAL POP.</b> | <b>74,240</b>                |  |                         |

Variance for Districts is 4.03%  
 TARGET POPULATION FOR EACH DIVISION = 14,848

**Legend**

|   |   |                 |
|---|---|-----------------|
| <b>Existing Divisions within SYRWCD</b> | <b>Division Population Changes</b>        | City Boundaries |
| 1                                       | From Division 1 to Division 3 (Pop -2879) | Vandenberg AFB  |
| 2                                       | From Division 2 to Division 1 (Pop -479)  |                 |
| 3                                       | From Division 2 to Division 4 (Pop -766)  |                 |
| 4                                       | From Division 3 to Division 1 (Pop Zero)  |                 |
| 5                                       | From Division 4 to Division 1 (Pop -903)  |                 |
| DISTRICT BOUNDARY                       | From Division 4 to Division 2 (Pop -889)  |                 |
|   | From Division 5 to Division 4 (Pop -1264) |                 |
