

**NOTICE OF RECEIPT OF GROUNDWATER ENGINEERING INVESTIGATION AND REPORT  
AND PUBLIC HEARING**

Notice is hereby given, pursuant to Water Code Section 75570, et seq., that the Santa Ynez River Water Conservation District (District) will hold a continued public hearing on June 1, 2022 at 6:30 p.m. (PST) at the regular meeting of the District's Board of Directors to be held at the Buellton City Council Chambers, 140 West Highway 246, Buellton, California, to consider the Forty-Fourth Annual Engineering and Survey Report on Water Conditions of the Santa Ynez River Water Conservation District, 2021-2022, (Investigation and Report) prepared by Stetson Engineers pursuant to Water Code Section 75560, et seq. At the meeting, the Board will consider making findings under Water Code section 75574, consider the District's budget for Fiscal Year (FY) 2022-23, and, in accordance with Water Code Sections 75590 et seq., consider establishing zones, setting rates, and levying groundwater charges for FY 2022-23. The Investigation and Report is available at the District Office and on the District's website, **SYRWCD.com**. You may also call the District office at 805-693-1156 to examine the Investigation and Report.

A public hearing on the draft Investigation and Report was held on April 27, 2022 during a special meeting of the District's Board of Directors and continued to June 1, 2022. The June 1, 2022 public hearing may be continued to one or more subsequent meetings of the Board of Directors.

Operators of water producing facilities within the District and all persons interested in the condition of the groundwater or surface water supplies within the District are invited to review the Investigation and Report and submit evidence and comments concerning groundwater and surface water supplies of the District. Persons wishing to present evidence or comments to the Board of Directors may do so in person at the public hearing, and those not able to attend in person are encouraged to provide any evidence or comments they may have prior to the public hearing to the Board Secretary, Amber Thompson, [athompson@SYRWCD.com](mailto:athompson@SYRWCD.com) **no later than 5:00 p.m. May 31, 2022**. Appearances may also be made supporting or protesting the Investigation and Report. In addition, if the meeting is conducted by remote teleconference pursuant to AB 361 due to the COVID-19 State of Emergency, the posted agenda for the meeting will provide a remote teleconference option for public participation in the meeting.

SANTA YNEZ RIVER WATER  
CONSERVATION DISTRICT
