This Statement and accompanying Worksheet(s) are to be completed and filed by each well Owner/Operator of a water-producing facility located within the boundaries of the Santa Ynez River Water Conservation District. **ALL PRODUCERS ARE REQUIRED TO REPORT AND PAY GROUNDWATER CHARGES.** Signed original Statements with Worksheets and payment should be filed by **JANUARY 31, 2019** to avoid late fees. Groundwater filings postmarked after that date are delinquent and will incur 10% penalty and interest charges of 1% per month or portion thereof.

Multiply the acre-feet in Column (A) by the charge per acre-foot in Column (B) and enter the result as groundwater charge in Column (C). Add Lines 1C, 2C and 3C and enter total in Line 4C. If applicable, calculate and enter penalty in Line 5C and interest in Line 6C. If there are prior charges or credits, we will enter the amount in Line 7C.
